Talia Goldsmith
Licensing Director
WildWorks, Inc.

To whom it may concern,

I am writing on behalf of Jarom Norris to recommend him to you as a future employee. I supervised Jarom for over a year as a Marketing Intern and then as a Licensing Coordinator with WildWorks, Inc. Jarom was a joy to work with and I highly recommend him as an addition to your team.

Jarom's natural enthusiasm for people makes him a fantastic team member. He is a great communicator and uses that skill to ensure that any project he is working on succeeds. Jarom works well on his own, but isn't afraid to ask questions in order to make sure his work is exactly what a supervisor needs it to be.

Jarom's tasks at WildWorks were focused on marketing the licensed product we had developed. During his time at WildWorks, he strengthened his project management and organizational skills, helped develop our marketing strategy, facilitated changes to our website and grew our online stores. In addition to his daily tasks, he was always willing to create a last-minute social post, make extra edits on a video, or help put together gift bags for unexpected visitors.

Jarom's deep understanding of and passion for the game industry made him a natural fit at WildWorks. He was always eager to share new ideas and participate in team brainstorming. He regularly took on additional work in order to learn from colleagues and connect with other team members.

Please feel free to contact me if you have any questions about Jarom's work or experience.

Best,
Talia Goldsmith
